Dear Chairman Martin,

Chicago Cares is proud to have been chosen by WXRT as one of its nonprofit community partners this year. Their partnership and commitment to the community and work we do is invaluable.

Chicago Cares is the city's leading volunteer organization. We create, manage and lead 200 service projects every month as well as the city's largest day of service, the Chicago Cares Serve-a-thon. As a nonprofit organization that literally impacts everyone in the city, we looked for a partner that was as committed to Chicago as we were and had a diverse audience base. WXRT rose to the top of the list and has remained there ever since through their dedication and enthusiasm for the work we and our thousands of volunteers do every day.

WXRT has gone above and beyond our expectations by providing opportunities for public service announcements, advertisements to listeners and appearances on radio shows. Throughout our partnership, they have listened to our needs and proactively offered ideal opportunities for assistance to reach our goals.

WXRT's commitment to the community and Chicago Cares is unparalleled. We look forward to continuing and growing our relationship with one of Chicago's top radio stations.
